Dear Property Owner/Business Owner/Store Manager,

The local Knights of Columbus Council # _____ is proud to participate in the Annual Campaign for People with Intellectual Disabilities, conducted on behalf of the Colorado Knights of Columbus Charities Fund, Inc. - a registered Colorado nonprofit charitable organization (Registration Number: 19871261993).

Knights of Columbus members, along with their families and friends across the nation, take part in this meaningful effort by distributing Tootsie Rolls to raise awareness for the needs of individuals with intellectual disabilities. While the treats are given freely, donations are gratefully accepted.

This initiative not only supports essential programs and services, but it reflects our commitment to inclusion, dignity, and compassion for every individual, regardless of ability. Every smile, kind word, and contribution brings us closer to a more caring and connected community and supporting the many programs across Colorado that help kids with intellectual and physical disabilities, like the Colorado Special Olympics.

All proceeds (minus necessary expenses such as candy, aprons, mailings, posters, and other essential materials) are submitted to the Colorado Knights of Columbus Charities Fund, Inc. These funds are then distributed to approved organizations that serve individuals with intellectual disabilities, including school district special education programs and the Colorado Special Olympics.

Whether you're contributing financially, lending a hand, or simply accepting a sweet treat with a smile, your support makes a difference. Together, we can continue building a world that celebrates the unique talents and potential of every person.

If you have any questions or concerns about this activity, please reach out to the local council's event chairman.
